Dear Dayle:

On behalf of the Port Jefferson Free Library, I would like to express our appreciation for presenting the program on The Songs of Irving Berlin. The library is able to fulfill its function as an educational/cultural/recreational institution more fully because of your efforts. Our community is greatly enriched by individuals and businesses willing to share their expertise and knowledge.

I could tell from all the toe-tapping and head-bobbing that the audience was having a wonderful time. Thanks again for such an enjoyable program.

Very truly yours,

Barbara Honig
