To Whom It May Concern:

Today, 1/29/99, for the students of St. Boniface School, Dayle Friedman presented a wonderful assembly on the Presidents of the United States: George Washington, Thomas Jefferson, Abraham Lincoln, and Theodore Roosevelt.

Her presentation was entertaining as well as educational. I would highly recommend this performance for the best interest of students. Mrs. Friedman helps bring honor to the role of President of the United States and knowledge to all students.

Sincerely,

Mrs. Christine Faber.
