The other day I was reminiscing with the President of our Resident Council here at Lourdes and she gave me some feedback about Dayle. The sister stated that Dayle is fabulous, what a voice and she distinctly recalled everything about Dayle's program that day. If an entertainer can hold a patient's attention and be that interactive than they are truly gifted and this explains why Dayle keeps returning to Lourdes after six years. We are very lucky to have her

Sincerely,

Michele Santo TRD
